WHY TRADESMAN

Tradesman Program Managers is an MGA platform featuring niche specialty programs including General Liability coverage for the construction industry. We maintain underwriting authority and work exclusively through a limited distribution of appointed specialty brokers.

We provide in-house underwriting, policy issuance, claims handling, loss control, agency development and technology support. Our loss prevention and claims handling are a collaborative and holistic effort supported by our in-house personnel, safety consultants, and third-party administrators.

LEARN MORE

Appointed agents and brokers should contact their Tradesman underwriter. All others should email shickey@tradesmanprogram.com, call 845-392-3689, or visit www.tradesmanprogram.com.
