- Independent Living Facilities
- CCRCs
- Adult Day Care
- Hospice
- Home Health Care as part of a facility

We work with select agents and brokers and provide:

- Premium CREDIT for tech solutions
- Limited distribution
- AI-based Risk Control Services
- Risk management consult vs. compliance
- Claims results that outperform industry benchmarks
- A.M. Best A- (Excellent) Admitted Market

SUBMISSION REQUIREMENTS

To obtain a quote at the most competitive terms, appointed brokers should provide their CareAgents underwriter with:

- Completed supplemental application
- Five (5) years of currently valued loss runs with details on all claims over \$100k
- Current policy declarations page
- Current financials
- Licenses
- State survey and complaint reports for the past 15 months
- Facility Quality Measures/Indicator Reports & 671/672 forms

OUR COVERAGE

We offer General, Professional, & Employee Benefits Liability with limits of \$1mil/\$3mil per location and an aggregate of \$10mil.

OUR SERVICES

CareAgents endorses proven technology tools to manage and track key industry loss drivers such as:

- Automates, prevents, manages and reports wounds
- Reduces loss-rate up to 65%
- Decreases facility-acquired pressure sores by 80%

- Uses Artificial Intelligence and machine vision to assess fall risk.
- Predicts bed exits 0:30 to 0:60 seconds in advance
- Reduces falls up to 80%
